

"EDUCATING FOR ETERNITY SINCE 2004"

Dear Family,

Thank you for deciding to explore our early childhood program as you research the best school for your young scholar. Ebenezer Baptist Church Christian Academy, for more than 10 years, has successfully met the child care and learning needs of hundreds of pre-schoolers in Prince William County. EBCCA offers a unique program that is Christian- based, child-centered and that provides the foundation on which all later learning occurs.

At EBCCA, we ensure a safe, clean, loving and nurturing place for your young scholar. I like to call it a home away from home. Each classroom has bright and friendly colors, student work displayed and open floor space to allow exploration and creativity.

As an early childhood specialist, it's my goal to see that all young scholars excel and that learning is fun! Our flexible A Beka curriculum is designed to meet the individual needs of every student in the Academy. As your young scholar moves through our program, you will notice great progress happening during each quarter of the academic year. Learning takes place in small time segments throughout the day. Your bright young scholar will engage in phonetics, early reading skills, simple arithmetic, writing skills, singing, games, science, poetry, art and creative play.

I encourage you to schedule a tour of EBCCA. Please contact me if you have additional questions after visiting our site. God bless you and your family.

Warmly,

Christal Lundy
